Bob: that sculpture was given me by the Kenai Classic crowd. I really don't know what to do with it and would just as soon leave it in the box. I know what you say about the gamble-it's a great one. But, it also can provide lots of interest and has the possibility of great things. I'll send the check the first of the week when Barb F is back--she doesn't work Fridays. teds

<PRE>Dear Ted, our corporation has been formed and it is "Alaska's Great Eagle, LLC". I'll need a check for \$7500.00 and we will be on our way. I'll make the first deposit tomorrow when i open our account. Make the check payable to Alaska's Great Eagle, LLC. Oh Lord let this work out because some of these guys are absolute neophytes and i don't know if they hear me when i say it is a pure gamble. Tom Owens formed the corporation and will send a letter to each member. I'm going to the house in a few minutes to turn the lights off. Would you like for me to take that sculpture out of the box? the box is huge and made of wood. my best, bob
